

Month: February

Scripture: James 3:10, "This is scary: You can tame a tiger, but you can't tame a tongue—it's never been done. The tongue runs wild, a wanton killer. With our tongues we bless God our Father; with the same tongues we curse the very men and women he made in his image. Curses and blessings out of the same mouth!"

The Message.

Blessings: Blessings is pronouncing God's intended favor, not what we deserve. Speaking blessing is giving agreement to what God sees as the potential in our lives. God has granted our tongue the power to wreak havoc or give LIFE. For a tongue under control means a body and emotions under control too. "The power of blessing" by Kerry Kirkwood
