Scripture: "Words kill, words give life; they're either poison or fruit—you choose." Proverbs 18:21, The Message Bible.

Blessings: Blessing releases God's power to work in our lives or situation in a powerful way. Thinking blessing is only the beginning. Speaking releases the blessings, and that calls our tongue into action. We are literally prophesying or breathing out the breath of God as we bless.

"The power of blessing" by Kerry Kirkwood

Decree: I bless my spirit and my body. I break off infirmity and speak the blessings of the Lord, decreeing health, fullness and favor.

Decree: I bless my soul as I think on things that are lovely, pure and of good report. I break agreement with the emotional bondage of fear and worry. I speak hope and freedom to my soul.

Decree: I bless my eyes, for I see with Kingdom vision. My future is bright so I will seize every opportunity God presents before me.

Decree: I bless my mouth, as my words are pleasing to God. I claim His promises and goodness over my life.

Decree: I bless my hands, for they are favored of the Lord and all that I set my hands to shall prosper.

Decree: I bless my feet, for they shall walk uprightly and crush the enemy's head.

Decree: I am blessed, healthy, whole, and will live long. I am stable, incorruptible, fruitful, full of peace, patience and love.
