

Wealth/Abundance: The state of being rich or extremely plentiful. Prosperous with an over sufficient quantity or supply.

Scripture: Deuteronomy 8:18, "If you start thinking to yourselves, 'I did all this. And all by myself. I'm rich. It's all mine!'—well, think again. Remember that God, your God, gave you the strength to produce all this wealth so as to confirm the covenant that he promised to your ancestors—as it is today." (MSG)
